A 2nd Generation Company

2nd Edition

"Humble Beginnings"

Welcome to the 2nd Edition brochure of HB Furniture

We are a second-generation family business that pride ourselves in supplying ready assembled bedroom furniture manufactured in the UK.

Every piece of HB Furniture has been fully assembled by our workforce to take away the stress of self-assembly flat packed furniture.

Our furniture is expertly crafted from using the finest materials, making it highly durable.

Any item found for sale via the internet maybe a copy or an inferior product. Therefore, we cannot guarantee you are getting the genuine furniture you have seen in store.

All information is correct at the time of print. Due to the limitations of photography and the print production process, the colours you see in this brochure may not be a total accurate reproduction of the actual product. If you would like to see a colour sample, please contact one of our dedicated sales team.

All of our furniture can be modified to your customer requirements.
